

Linette Butler Memorial

Math & Science Academic Scholarship

Summary: Two \$300 Academic Scholarships for current students entering grades 6th-12th grade.

HISTORY

Linette Butler was a BG Christian Academy student who died from cancer in 2002 during her seventh grade year. Family and friends wishing to honor her memory contributed money towards the goal of providing scholarships given in her name. The scholarship was established by Tim and Deb Butler on May 8, 2003 and specifically designed for current students who have exhibited a love and aptitude for science or math. Currently, it is our only academic-based scholarship.

PARAMETERS

Two \$300 scholarships will be awarded for each school year. One will be awarded for science and the other for math. Students are also selected based on Christian character and teacher recommendations. These scholarships are offered specifically for students entering grades 6-12, who have a passion and ability in these two subject matters.

APPLICATION PROCESS

Students interested in applying for this scholarship need to fill out the Student Application and give the Teacher Recommendation Form to their current science or math teacher. Return the completed Student Application and sealed Teacher Recommendation to BG Christian Academy's main office no later than March 31st.

SELECTION PROCESS

The Butler family reviews the student applications and teacher recommendations, then selects the scholarship recipients. Preference is given to those students that excel in communicating their desire for the scholarship, their love for the school, their passion for science or math, and above all, academic achievement in the subject area.

AWARD PROCESS

Families will be notified by the school once applications have been reviewed. In addition, a letter from Deb Butler will be sent to the recipients. The finance office will also be notified so that credits can be made from to the recipients' tuition account.

DONATION PROCESS

If you wish to contribute to this scholarship fund, please do so by sending a check made payable to BG Christian Academy. Please write "Linette Butler Scholarship" on the memo line and send it to Linette Butler Scholarship Committee, BG Christian Academy, 1165 Haskins Road, Bowling Green, OH 43402.
